PRACTICE WORKSHEET A

COPYMASTER

Homophones and Commonly Confused Words

A. Directions: Underline the homophones or commonly confused words in each sentence. Then write their meanings. You may want to check some words in the dictionary.

1. We won't have any peace until you give him a piece of cake!

2. Did you hear who's here in our house?

3. You're sure you want to use your own money?

4. Who's going to know whose shirt you're wearing?

5. The school principal stresses the principle of hard work.

6. That tall red-haired boy was the one who won the 500-meter race.

7. Why didn't you warn me that the rope was so badly worn?

B. Directions: Underline the word in parentheses that correctly completes each sentence. You may want to check some words in the dictionary.

8. Eric is the only batter (who's / whose) left-handed.
9. Mr. Green won't (except / accept) your paper if it's incomplete.
10. Don't leave that ring lying around or you might (loose / lose) it.
11. The (capital / capitol) in Washington is built on a hill.
12. Look at the various books, and (than / then) choose one.
